

ROADMAP

ENDGAME

- People show off their unique Xcroc merch and trade NFTS with other group-minded friends around the world.

2022 Q1-Q2

- Minting (Xcroc coin holders will receive an Xcroc NFT for every 1 Xcroc coin they hand in. The Xcroc coins are burned in the process. Before minting, an airdrop will take place. All holders of at least 1 Xcroc will get 1 of the new token. Same structure, 1 Xcroc coin for 1 Xcroc NFT. Everyone that owns 1 Xcroc tokens will be able to mint an Xcroc NFT)
- Develop xCroc Online NFT Marketplace on XRPL with Xcroc friends
- Collaborate - This community is amazing and Xcroc will try to be at the heart of it helping other projects and building a long term community.
- Launching Merch store with Xcroc NFTS.
- Seek to reach an amazing friend like following by promoting Xcroc and the amazing utility of XRP and XRPL ecosystem. The promotion of the XRPL ecosystem will bring attention to all XRPL projects and increase innovation.
- Giveaways to our amazing followers for being apart of this journey.
